Block Management

** giving your property the perfect finish **

Smart Link Management
Facilities and Property Management Specialists

Block Management

“Our management staff is approachable and very well qualified to deal with the challenges of multiple occupancy buildings in the capital...”

Living in a block of flat can be a trouble-free experience, providing the building is properly managed. The common parts need to be properly maintained, the superstructure kept in good condition and regular repair and matters such as insurance protection against fire, subsidence and public liability arranged in good time.

We offer a tailor-made service to suit the needs of the individual development:

- PROFESSIONAL AND EXPERIENCE TEAM
- 24 HRS RESPONSE TEAM
- TAILORD-MADE SERVICES TO SUIT ALL BUDGETS
- PERSONAL APPOINTED MANAGER
- SERVICE CHARGE COLLECTION
- ALL RELATED SERVICES: CONCIERGE, SECURITY, CLEANING AND GARDENING

Venus Asset Management

“Smart Link Management provides excellent services, their management team are very proactive and their response time is very quick. We are also awarding them property and ground maintenance works at one of our investment properties”
