Facilities and Property Management Specialists

# Contract Management

*“Put the Contract Cleaning of your property with those with real passion...”*

Is the right firm managing the contract cleaning of your premises? At **Smart Link Management** our Contract Management services cover a wide variety of properties, from lock-up shops to town centre schemes, small warehouses to major industrial estates and from office suites to multi-occupied high rise office blocks.

Geographically, we manage contract cleaning properties nationwide; from London to the midlands.

The extent of our service is flexible and ranges from full facilities management to property management. We recognise that different properties have different management requirements and needs.

- 6 MONTHS MINIMUM CONTRACT
- SPRING/DEEP CLEANING
- 24 HOURS RESPONSE UNIT
- VETTED AND TRAINED WORKFORCE
- TESTED AND APPROVED MATERIALS
- BIO-HAZARD TRAINED

#### **Better Bet**

*“We’re exceedingly pleased with Smart Link Management’s team; they’re currently managing 36 of our stores”*
