Personal Portfolio

** giving your property the perfect finish **

Smart Link Management
Facilities and Property Management Specialists

Personal Portfolio

“Almost without exception, people recognise the value of owning and investing in property...”

The face of **Smart Link Management** is our Portfolio Management team and in much the same way as a private bank, clients have a single point of contact to look after all aspect of their investments. By understanding each client’s specific objectives.

Smart Link Management is structured to make the process of building and managing a property portfolio as straightforward and simple as possible.

We can assist you with the following:

- FULL MANAGEMENT OF YOUR ASSETS
- CONSULTATION OF CURRENT MARKET
- LIAISE WITH RELEVANT PROFESSIONAL (BROKERS, LAWYERS, ETC)
- PERSONAL DEDICATED MANAGER
- PROFESSIONAL ADVICE

Jonathan Howard -North London-

“Smart Link Management has been managing my personal portfolio for the past 2 years and I am very happy with their service”
